Chapter 1 by emerson

to dream of a world

have you ever thought of a world were everything is perfect

that planet is kepler-62 E it is a far out world but. One day 1969

july 20 the USA had landed on the moon but what the popules

did not know was there was a forth crew member

Swayze Lanchester.

he was he was a small town boy from hamilton montana but after the apollo 11 launched once they were in space they found out they would not have enough fuel to carry 4 men back to earth safely so one of them had to be kicked out of the flight and they picked swayze and he was frozen in space for over 600 years. In 2572 he landed on kepler-62 E there was a race of human like things they seemed freindly one of them spoke english and he said in a nice voice.

we have be watching you for a long time Swayze lanchester

and we have seen that your diffrent from the rest of the humans

and we can trust you its almost like i remember you as a freind now Swayze lanchester do you trust us or not

Swayze replied yes ok then said the strange figure said I am

commander Rafish look forward

now my troops will show you the planet

at 1800 hours you will be

2 days later Commander Rafish brought Swayze to Zordonville

Swayze was amazed everything us earthlings could dream was here. Jetpacks hover cars and trains everything Swayze and Rafish went down to capital hill and meet the president president melyish he seemed nice they had dinner together after that he went touring across keplen from the city of zork to New Zwarf. He was amazed and some time later the tour train had to stop and turn around and Swayze asked Rafish why is there a wall there why are we turning around Rafish replied the hellgrafs what are those Rafish replied they are the nightmares you hate they are horrible beasts they are evil killers! they will not be spoken of now never ask again we were at war and we had to make a deal they got half the planet we got half well let me talk to them they cant be that bad Swayze said Rafish said lies! lies! lies! they can not be spoken to!. next they went on a space tour and passed a nice planet. see that said Rafish yes said Swayze no you dont said Rafish Rafish shot a laser and destroyed the planet. why would you do that you monster said Swayze im not a monster i just like killing things.

That night at 2300 hours Swayze snuck down to the comms room and made a call to the hellgrafs the head military master answered and said hi you devils Swayze said im not one of them they want to kill you i am from earth the hellgraf hung up he repeated this for 137 days and one night when he was sneaking down to the comms room a guard found him and he was detained and put in jail.

Rafish came to the cell and bluffed and he eventually got to the point and ended with the statement that Swayze would be put to death by tommorw night. 24:00 hours later he was walked to the plasma chair and just before he sat down he heard a big boom!

and smoke bombs came in. Swayze was blinded once the smoke cleared every one was dead but

and got to the hellgraf side of the planet Swayze sees there not as bad as the zordoinans make them sound and when there flying Swayze thinks to himself what have i gotten into.

Commander Grawf brought Swayze to a small living space and said get rest you will need it. The next day 13:00 Gwarf said welcom to the army Swayze said what! no no no no no follow me said Gwarf

they went outside and saw a enemy jet bomber and they ran for hover cars and drove through the city trying to escapes

they landed in a shelter and ran inside only to be met with commander Rafish and his blaster fire Gwarf was shot in heart

Swayze draged him to cover and the last few Words that Gwarf said were we dont know each other that well but i know that you will save us all goodbye and promise me that you will kill Rafish

yes of course i will said Swayze i will oh and good luck said Gwarf

Swayze said i make my own luck.

Swayze grabed Gwarfs blaster and shot Rafishs leg and for a second all he saw was a childhood freind and he hesitated to shoot again an then Rafish got his blaster and shot Swayzes arm and Swayze blacked out last thing he saw was smoke bombs and backup over 800 years later 3293

3293 Area 51 med room Nevada

Swayze woke up 03:47 he askes the doctor where am i the doctor replies earth Swayze said what! he jumped out of the bed an ran to a space craft and stole it and flew to kepler-62 E he was caught by a tractor beam and was put to sleep. 3324 rebal base ship he woke up and saw freinds everywere they were rebels

One said hi i am commander Link this may seem sudden but can you fly a star ship Swayze said no Link said too bad hope your a
